

**SAVE THE DATE**

---

A graphic consisting of several horizontal black lines of varying lengths, some pointing to the right and some to the left, creating a sense of motion or a stylized 'V' shape. In the center, the text 'COAL GOES TO WAR' is written in a bold, black, sans-serif font, slanted upwards from left to right.

**COAL  
GOES TO  
WAR**

**JULY 28<sup>TH</sup> 2013**

TO RAISE FUNDS FOR THE RESTORATION OF

**We are planning an all private car train operating over the trackage of Norfolk Southern south of Pittsburgh into the wilds of Southwestern PA.**

**More details will follow as soon as final approval is received from NS and final pricing is established with Amtrak.**

**The train will have provision for private cars arriving from Chicago on TR 30 as well as private cars from the east traveling as a "Special" from Philadelphia with the PRR E units.**
