

May 2017 "Kansas City Rocket"

Itinerary

Wednesday May 17th: "Swift Stream" will be parked in Chicago at the Amtrak Facility in Roosevelt Yard. This evening, the private cars making up the AAPRCO "Kansas City Rocket" will be put together and moved to Union Station during the night. Sleeping room guests for the "Rocket" trip may begin boarding at 3:00pm. Beverages and Light Snacks will be served. Enjoy dinner in the city.

Thursday May 18th: the "Kansas City Rocket" will depart Union Station about 5:00am and travel a 570-mile trip that covers a lot of rare mileage on the Union Pacific main-line track, including the Geneva subdivision from Chicago to Clinton, Iowa; the Clinton subdivision from Clinton to Nevada, Iowa; and the Trenton subdivision from Nevada to Kansas City, Missouri. Breakfast and Lunch are served en route. Dinner is on your own following arrival and positioning at Kansas City Union Station in the late afternoon. All sleeping room guests may occupy their accommodation tonight. Day riders disembark upon arrival in Kansas City.

Friday May 19th: Kansas City Rocket consist will be at Kansas City Union Station. Breakfast Buffet will be served on board for our overnight guests. AAPRCO meetings will be held at the Westin Hotel, easily accessible via covered walkways. Guests not opting to remain on board will disembark at noon. Lunch is included with your AAPRCO Meeting Registration and Dinner is on your own this evening.

Saturday May 20th: Breakfast Buffet will be served. Guests not attending the AAPRCO Board Meeting are free to enjoy the sights, sounds, and tastes of Kansas City. Lunch and Dinner are on your own this evening.

Sunday May 21st: Breakfast will be served on board and all guests are to depart the Swift Stream by noon today. Kansas City Union Station is home for the Swift Stream so we will not be returning to Chicago.
