OOPS -
This is
my
time!

Someone
else
takes
my time slot
nearly every
Sunday.

I gave up this time
to many
... usurpers
to compete with! [Linda, flat earthen & Brian, etc]

... happened to notice:

Sunday - Kayt & I are scheduled during 202E's
15 hours (I know it's a misprint, but so funny)

Alex ain't on this schedule... 218... puh?
(Maybe he opted out?)

212 E - has only ONE time. I gave her my 9-11 Mon time AM

02 May 2021 ~ maybe the laundry schedule is most?
This is Sunday, I'm ready to do a load
of laundry, but someone I've never
seen before just loaded up the washers.
Hmmm - maybe she's a new tenant &
HRE forgot to give her a schedule?
probably
