Louis Allion has been a regular volunteer at the Bainbridge Island branch of Kitsap Regional Library for the past six months. During that time he has been instrumental in helping with the maintenance of the grounds and working with library patrons who are homeless in our community.

A passionate train lover, Louis has also worked with me to develop a March display at the Library on trains. It has been popular with library patrons and we are restocking books regularly.

Louis has been a pleasure to work with and has been a great help as a volunteer.
