

**AMTRAK**  
**OFFICE OF THE CLEARANCE ENGINEER**  
**PRIVATE CAR CLEARANCE FORM**  
 -- PC-5      REV 6/92 --

CAR NUMBER \_\_\_\_\_ MEASURED BY \_\_\_\_\_  
 CAR NAME \_\_\_\_\_ DATE MEASURED \_\_\_\_\_  
 CAR OWNER \_\_\_\_\_ ADDRESS \_\_\_\_\_  
 PHONE NUMBER \_\_\_\_\_

**INSTRUCTIONS:**

- 1) A separate form is to be completed for each private car. A revised form must be submitted following exterior modification of the car. It is the responsibility of the car owner to ensure that measurements are accurate and complete. Failure to provide accurate and complete measurements will result in withdrawal of authorization for movement on AMTRAK trains.
- 2) Car must be located on level, straight track for measurement.
- 3) Provide measurements for the following critical appliances.

Appliance Name	Applicable	Height above top of rail	Width from centerline
Antenna	Y or N	____ft____in(max)	____ft____in
Exhaust Stack	Y or N	____ft____in(max)	____ft____in
Side Marker Lights	Y or N	____ft____in(max)	____ft____in
Grab Irons	Y or N	____ft____in(min)	____ft____in
Steps(Stirrup)	Y or N	____ft____in(min)	____ft____in
Steps(Vestibule Fixed)	Y or N	____ft____in(min)	____ft____in
Steps(Vestibule Folding)	Y or N	____ft____in(min)	____ft____in
Battery Box	Y or N	____ft____in(min)	____ft____in
Generator Box	Y or N	____ft____in(min)	____ft____in
Water Tank	Y or N	____ft____in(min)	____ft____in
Miscellaneous Box/Tank	Y or N	____ft____in(min)	____ft____in

- 4) Complete the general car diagrams on the reverse of this form to clarify measurements of critical appliances and to provide overall car dimensions (height, width, length).
- 5) Return completed form to:

**AMTRAK**  
 Office of the Clearance Engineer  
 30th Street Station, 3rd Floor South  
 Philadelphia PA 19104

Fax# 215-349-1710
